

Hiroshima Airport–Area Extensive Metropolitan Regional Tour Creation Program Subsidy

This program is funded by a grant from Hiroshima International Airport Co., Ltd.

Basic Requirements for Tour

Developing package tours that include international flights (one way allowed) to or from Hiroshima Airport and overnights stay in 6 cities and towns (Takehara, Mihara, Onomichi, Higashihiroshima, Osakikamijima, Sera). However, staying at Hiroshima Airport Hotel is not eligible for this subsidy. 10 or more tour participants are required per tour. *

*Tour conductors and other related staff are not included in this subsidy.

*It is possible to combine this program with subsidy programs of other prefectures, cities, towns, and organizations.

Subsidy Amount

5,000 JPY per 1-night stay (maximum subsidy amount: 150,000 JPY per travel agency, 450,000 JPY per city and town).

Implementation Period

From July 1, 2026 to February 28, 2027*

(*Check out must be completed within the implementation period. However, subsidies will only be granted within the range of the budget and will no longer be granted once the total budget has been allocated.)

Please Note

If the applicant hopes to apply for this program, please contact the Association in advance.*

(*Phone support is available in Japanese only. For inquiries in English, please contact the Association by email.)
